Date: 22 June 2026

PUBLIC ANNOUNCEMENT

Indian Space Olympiad 2026 (ISO)

The **Indian Space School (ISS)** is pleased to announce the **Indian Space Olympiad (ISO) 2026**, a prestigious competition designed to identify, encourage, and nurture young minds with a passion for astronomy, space science and space technology.

The **Olympiad** aims to foster scientific curiosity, analytical thinking, and problem-solving skills among school students while inspiring the next generation of space scientists, engineers, researchers, and innovators.

Eligibility:

- **Indian Students:** Students enrolled in **Classes I–XII** at any recognized school in India.
- **International Students:** Students enrolled in equivalent grade levels at any recognized school worldwide.

Important Dates :

Event	Date	ISO 2026	Timing
Registration Opens (Indian Students)	24 June 2026	Foundation Level Classes I–IV	09:00 AM – 10:00 AM
Registration Opens (International Students)	30 June 2026		
Registration Closes	10 August 2026	Junior Level Classes V–VI	10:00 AM – 11:00 AM
Admit Card Release	12 August 2026		
Online Examination	16 August 2026 (Sunday)	Intermediate Level Classes VII–VIII	12:00 PM – 1:00 PM
Examination Time	10:00 AM – 05:00 AM (IST)		
Result Declaration	23 August 2026	Senior Level Classes IX–X	2:00 PM – 3:00 PM
Young Space Scientist Workshop	Early September 2026 (Exact dates to be announced)	Advanced Level Classes XI–XII	4:00 PM – 5:00 PM

PUBLIC ANNOUNCEMENT

Date: 22 June 2026

Indian Space Olympiad 2026 (ISO)

Awards & Recognition:

Top 3 Rank Holders (For All Category):

- Telescope
- Gold, Silver & Bronze Medal
- Certificate of Excellence

Rank 4–10 (For All Category):

- Medal
- Certificate of Excellence
- Indian Space School Space Kit

Top 100 Students (For All Category):

Invitation to the exclusive **Young Space Scientist Workshop**, an advanced learning programme featuring interactions with leading space scientists, researchers and industry experts.

Top 1000 Students (Classes V- X) :

Direct eligibility / invitation to the Young Space Scientist Program (Classes V–X)

All Participants :

- Digital Participation Certificate
- Individual Performance Report
- National Rank

Registration Fee:

- Registration Fee: ₹500
- GST: ₹90
- Total Payable: ₹590

PUBLIC ANNOUNCEMENT

Date: 22 June 2026

Indian Space Olympiad 2026 (ISO)

Syllabus:

The Olympiad will assess conceptual understanding in:

- Fundamentals of Astronomy
- The Solar System
- Stars, Galaxies & the Universe
- Earth & Moon
- Satellites & Space Technology
- Rockets & Launch Vehicles
- ISRO & India's Space Missions
- Space Exploration
- Basic Physics for Space Science
- Scientific Reasoning & Logical Aptitude
- General Space Awareness

Questions will be appropriate for **Classes I–XII** and based on school-level science concepts with an emphasis on astronomy and space science.

Vision:

The **Indian Space Olympiad (ISO)** aims to identify talented young learners, promote scientific excellence, and create opportunities for advanced learning through the programmes of the Indian Space School (ISS).
