PUBLIC ANNOUNCEMENT

Summer School for Space Kids 2026

(A Foundation Program for Young Space Explorers)

The Indian Space School proudly announces the **Summer School for Space Kids 2026**, a one-month online foundation program designed for students of **Grades 1–4** to explore the exciting world of space science and astronomy.

Through live interactive classes, hands-on STEM activities, creative projects, quizzes and engaging demonstrations, participants will discover the Sun, Moon, Earth, Solar System, planets, stars, gravity, rockets, astronauts and other fascinating space concepts in a fun and age-appropriate manner.

The program concludes with a Mini Space Explorer Project, allowing students to showcase their learning through a simple presentation or creative activity.

Upon successful completion, participants will receive - **Summer School for Space Kids Completion Certificate & Space Explorer Project Completion Certificate**

Eligibility:

- Students currently studying in **Grades 1 to 4** are eligible to apply.
- Participants should have access to a mobile phone, laptop, desktop or tablet with a stable internet connection to attend live online classes and complete activities.
- Applications must be submitted through the **official online registration portal**.
- Open for **Indian** and **International Students**

Application Process:

- Registration Period: **06 July 2026 – 25 July 2026**
- Program Duration: **01 August 2026 – 31 August 2026**
- Mode of Training: **Online** (Class Timings: **After 07:00 PM (IST)**)
- Available Seats: **350 Participants**
- Students will be divided into small interactive batches of approximately 30–40 learners to ensure effective participation and personalized learning.

Program Includes:

- Live interactive expert sessions
- Three live classes every week (Alternate Days)
- Recorded session access
- Learning Management System (LMS) access
- Digital study material
- Fun STEM activities
- Weekly quizzes
- Hands-on experiments
- Mini Space Explorer Project
- Dedicated student discussion community
- Academic support throughout the program

The detailed academic schedule will be shared with all registered participants before the commencement of the program.
